Profile

Copywriter working in B2B: turning complex products and technical material into clear, engaging content across website, social, email and campaigns. I plan editorial calendars, repurpose one story into channel-specific formats, and write to business decision-makers daily. MSc in Communication Strategies, 2026. Portfolio: portfolio-lorena-delta.vercel.app

Experience

Copywriter — TEDxCortina

NOV 2025 — PRESENT

- Defined the editorial plan and sustainability storytelling for the 2026 edition, then the GLOW campaign for the 10th anniversary.
- Produced 20+ pieces across Instagram, LinkedIn and the website, repurposing one story into channel-specific formats and adapting tone of voice to each.
- Wrote and shaped copy from speaker interviews, turning technical research into clear, high-engagement social copy.
- Wrote the concept and messaging for the announcement teaser, cut for both YouTube and vertical social.

Business Developer — TESI

MAY 2026 — PRESENT

- Write B2B outreach copy to decision-makers (CEOs, Founders, COOs), tracking response across outreach sequences and follow-ups.
- Built and qualified a pipeline of 175 SME and startup prospects in two months, converting 3 into closed deals.
- Own the prospect database and pipeline in HubSpot; learned quickly what business readers ignore and what they answer.

Content & Communication Intern — Startup Unipiazza

2025 — 2026

- Ran the editorial calendar end to end: weekly content across social posts, blog articles and a newsletter, adapting tone from short-form social to long-form and email.

Marketing & Communication Intern — Il Bronzetto

2023 — 2024

- Wrote copy and published content across social channels and Pinterest, building visual boards to drive brand discovery.

Event Host, Promoter & Sales — Freelance

MAR 2021 — PRESENT

- Coordinated and managed audiences at events, handling logistics and on-site problem-solving; sold products directly to the public.

Education

Master's in Communication Strategies University of Padova
